- Built in advanced heat function transfers warmth to muscles, ligaments to improve the blood circulation.
- 3D rotation kneading massage rollers in ergonomic U-design perfect to use on your neck, back, shoulder.
- Can be used for office, vehicle and home, UL approved power adaptor and a FREE car charger are included. Removable dust proof bag, easy to clean.

Wireless 3D Eye Massager

- Eyes Relax - Help to relieve eyes strain and headaches by three modes -- Sleep, Med, Hard. "Sleep" provides a gentle massage, "Med" a soothing one, "Hard" an invigorating one, with heating about 40 Celsius, not too hot, safe temperature for eyes helping you improve blood circulation.
- Air Compression - while air compression and vibration will surely give you an ultimate massage trip, from massaging temple, four white points, sinuses, but not eyeballs. A little noisy about 65 db being produced by vibration.
- Wireless - Rechargeable lithium battery and USB charging provide maximum portability.
- Natural Music - Built-in speaker and prerecorded nature sounds relax you even more. The music could be controlled - Pressing the music button momentarily to turn on, momentarily to change song, steadily to turn off.
